A COMMUNITY-CONSCIOUS, ACTION-ORIENTED ORGANIZATION

November 13-15, 2025

Greetings Sorors, Amicae, Youth Affiliates and the Zeta Male Network of the Southeastern Region –

As the 26th International President and CEO of Zeta Phi Beta Sorority, Incorporated, it is my extreme pleasure to officially greet you on behalf of the International Board of Directors.

As you lead the way and gather for your 2025 Southeastern Regional Leadership Conference under the leadership of the Regional Director Vicki L. Pearson, I want to congratulate you on your many years of Scholarship, Service, Sisterhood and Finer Womanhood.

Your regional conference's theme **"Strength in Sisterhood, Power in Leadership"**, serves as an opportunity for the Sisterhood to expand Zeta's footprint through impactful programs and initiatives that promote education, health and raise awareness around important issues facing women today. I'm so excited to watch our programmatic focus unfold nationwide- The Extraordinary Power of S.H.E. - an opportunity for Zetas to be intentional about social, health and economic justice for women at home and abroad. By engaging in these essential conversations and sitting at tables where change is effectuated around these issues, sorority members will empower women and build stronger communities.

Every Zeta proudly carries forward the legacy of our Founders, and I am profoundly grateful to the Extraordinary Leadership Team whose unwavering dedication drives our initiatives, events, and activities throughout the year. My deepest appreciation goes to our International Board of Directors, Regional Directors, Appointed Leaders, State Directors, Chapter Presidents, and every Zeta woman who continues to radiate brilliance and embody the transformative change they wish to see in the world.

Congratulations on all you've accomplished thus far. Your steadfast commitment to selfless service continues to light the way for communities that depend on your compassion and resolve. Whether it's a can of food collected, a voter registered, a scholarship awarded, or a step taken in support of the March of Dimes, Z-HOPE, and our beloved auxiliaries and programs—each act is a vital thread in the fabric of our collective impact. You are the living legacy of our Founders' vision, and they would be immensely proud.

Wishing you a dynamic and enriching Regional Conference—may it be filled with spirited dialogue, insightful learning, and strategic planning as you Embrace the Extraordinary and broaden our reach throughout the Southeastern Region.

Yours in sisterly service,

Dr. Stacie NC Grant
